4. What were some of the ways God encouraged Gideon?
5. What do you think was going through Gideon’s mind as his troops were being decreased?
6. What do you find phenomenal about the defeat of the Philistines with this small band?
7. Why did Gideon respond as he did to the people wanting him to be the Ruler?
8. Why do you think Gideon chose to make an ephod (which later became a stumbling block)?
9. How do you see God show His presence in the account of Gideon?
10. What do you learn from Gideon’s life that you would like to apply to your life?
